Any purchase over \$2.75 will be paid by SCIC. Doug cannot take birds the second race weekend. Delegates agreed to keep schedule in tact by having Caldwell of the San Diego club haul trailer Saturday for Sunday race.

Conveyor Driver Checklist/Insurance – Steve Miner will go over checklist with driver.

### PAL AND SD TRAILERS

Palomar Trailer has been serviced. San Diego trailer will need thorough cleaning and disinfecting the water trays. WD40 doors. Trailer will need to be repainted at a later date. Steve Miner will hire someone to clean trailer possibly at \$100 week during season, possibly a bit more the first time. Steve will determine cost.

### DUES

SCIC Combine Adult Dues are \$20 and due presently. As noted below from our By Laws, Junior membership fees have not been established. Shipping is indicated as \$1. Assuming \$1 per bird. Junior Dues will need to be established for Combine.

**2.00 MEMBERSHIP DUES:** Annual dues for members were determined as \$20 at the annual meeting in December, by a majority vote of the active members present. \$300 shipping fee will also be due by those flying at the season. Members who live in an environment which does not allow them to raise a full team, may ship 15 birds at \$200 for the season. This is not for the flyers who can raise 20-40 or more birds who choose to cut their team. No more than 15 birds will be shipped for these flyers to any race in the season. Half can be paid first race, second half due at Olancho Race. Juniors are \$1 shipping. This is in addition to the adult team for the family. Race Secretary is responsible for doing GPS at each loft and is required to monitor both 15 bird team lofts and Junior membership. The Southern California Invitational Combine dues, as well as those associated with other organizations, which the Southern California Invitational Combine is affiliated, are due, and payable on the date provided at the annual meeting. Members are not allowed to race or purchase bands until dues have been paid. (Some clubs also include specific work parties or events as part of the membership "Obligation," and charge additional fees if a member does not participate).

**2.03** Junior members are those members who have not reached their 18th birthday. He/she shall pay the prescribed AU dues for juniors and whatever portion of the Southern California Combine Invitational dues that the regular members decide.
